AI-पत्रिका – 2nd Edition

AI-पत्रिका is a biannual educational newsletter by Law Centre-II, University of Delhi, dedicated to exploring the evolving intersection of artificial intelligence and law. Aimed at academicians, legal professionals and students, it provides tracking of and insights into AI governance, legal frameworks, policy developments, notable cases, and other legal issues surrounding AI at both national and international levels. With a strong focus on fostering informed dialogue, this publication equips readers to engage with and shape the future of AI law in India and beyond.

The introductory edition can be found here: <https://lc2.du.ac.in/research-journals.html>

Themes for the 2nd Edition

As stated in the introductory edition, launched on 5th of April, 2025, the upcoming edition will focus on the following two themes:

1. Intersection of Artificial Intelligence with Intellectual Property Law (Legal, Ethical and Regulatory challenges).
2. How Important Jurisdictions in Asia are addressing legal challenges related to Artificial Intelligence.

We invite original and unpublished articles on the above mentioned themes from all faculty members and students of law for the upcoming edition. Submissions should provide insightful analysis, recent developments, and comparative perspectives.

Submission Guidelines

General Instructions:

- Submissions will be accepted from faculty members and students only.
- Single author articles should not be longer than 800 words (excluding endnotes but including everything else like the heading, the name and designation of the author, the standfirst, etc.).
- Co-authorship is allowed upto a maximum of 2 co-authors and such co-authored articles should not be longer than 1800 words (excluding endnotes but including everything else like the heading, the names and designations of the authors, the standfirst, etc.).
